

I am a Digital Innovator

Growing together, hand in hand

- I connect with others safely.
- I decompose problems. (bugs/debugging)
- I create and follow algorithms.
- I collect, record and present data.
- I understand the importance of specification.
- I am resilient.
- I use a range of digital tools.
- I understand how computers work.
- I apply digital skills across the curriculum.
- I understand how technology can enhance my learning and when it is the right time to use it.
- I research, explore, manipulate and save digital work.
- I understand how to succeed in a digital world.
- I have 21st Century Skills.
- I ask questions.
