

# I am a designer

Growing together, hand in hand

- I create innovative ideas and prototypes.
- I research and ask questions to develop detailed knowledge of users' needs.
- I design, make, evaluate and improve my work.
- I take inspiration from other designers throughout history.
- I have a thorough knowledge of which tools, equipment and materials to use to make products.
- I apply mathematical knowledge, art, computing and science skills. (STEAM)
- I have the ability to act as a responsible designer and maker, working ethically and using materials carefully.
- I use a range of tools, equipment and materials safely
- I am a resilient learner.
- I use time efficiently and work constructively and productively with others.
- I have a passion for design.
