

# I am an artist

Growing together, hand in hand

- I enjoy exploring different kinds of art, craft and design.
- I have the confidence to be creative and imaginative and to experiment with my ideas.
- I have the courage to take risks, to make and accept my mistakes and to celebrate my success.
- I can use art, and design techniques such as line, shape, colour, pattern, texture and form to express my emotions and interpret my observations.
- I can select and use a range of tools and materials with skill and creativity to realise my intentions.
- I know about the work of other artists, craft makers and designers from the past and from other places and cultures and can show an understanding of their importance and influence.
- I can use this knowledge and understanding to inform, inspire and help me to interpret my own ideas, thoughts, feelings and observations of the world around me.
- I can reflect upon, analyse and think critically about my own work and that of others using the language of art, craft and design.
