Gorsemoor Road,
Heath Hayes,
Cannock,
Staffordshire,
WS12 3TG.

Welcome to Gorsemoor Primary School

At Gorsemoor Primary school, we pride ourselves in placing children at the centre of all that we do, focusing on their academic and personal achievements and reaching their potential in both. We love our school and are very proud of our accomplishments. We place great importance in kindness and respect being mutual, both within our school community and the world around us.

People are proud to be part of Gorsemoor and share the vision and values it holds. Pupils, families, staff, governors and our local community respect each other and work together to create the experiences and opportunities that enable our pupils to achieve their full potential at school and beyond. Safeguarding children is very important to us and we take care in making sure that our policies reflect our practice and procedures. Through a safe and secure environment, the pupils enjoy the challenge our education provides.

We are a highly inclusive school and make sure that everyone can succeed in a place where they feel safe, happy and well. This was recognised in our most recent Ofsted inspection, where we were graded Strong for Inclusion (February 2026).

We work hard to ensure that we create a caring, committed team, enabling everyone to achieve their best, inclusive of staff. We are driven to ensuring that we create the best possible opportunities for the professional development of all staff and by choosing to work at Gorsemoor we can provide wide and varied CPD experiences.

We are proud of our school community and work in partnership with our families to inspire the children to believe in themselves and to achieve the highest of standards. We encourage our parents and carers to provide support for their children and for the school. Parents/carers are a vital part of the whole team which promotes the child's learning and well-being. We very much hope that you will take every opportunity to take part in the life of the school and its role within the community. We adopt an 'open door policy', encouraging all our families to share with us in celebrations and also any concerns which they may have.

If your career aspirations and motivation matches the professional qualities we seek, you may be the person to join our team. Visits to the school and informal discussions with the schools' Co-Headteachers are positively encouraged. If you have any questions, please do not hesitate to contact us and we look forward to hearing from you.

Yours sincerely,
Mrs. E. Lees and Mrs. N. Costello
